Influence MuleSoft's roadmap

- Attend quarterly customer roadmap webinars
- Fill out customer surveys
- Leave feedback (ratings and comments) on documentation pages
- Open customer support that can result in enhancement requests

Introducing the MuleSoft Certification program

MuleSoft Certification program

- Offers multiple types of professional accreditation for developers, architects, and partners
- Three levels of certification
- With each certification, you get
 - A digital badge for your communications
 - The ability to add the certification to your LinkedIn profile
 - A free t-shirt!

MuleSoft Certified Developer (MCD) and MuleSoft Certified Architect (MCA) exams

- MCD – Integration and API Associate
 - First Level: Trained in Mule
 - Recommended for students who have taken the Anypoint Platform Development: Fundamentals class
- MCD – Integration Professional
 - Second Level: Experienced in Mule
 - Must show product and project experience
 - Recommended for developers who have 6+ months work experience in Mule
- MCD – API Design Associate
- MCD – Connector Specialist
- MCA – Solution Design Specialist

Why take the exams?

- To obtain recognized industry certification
- To differentiate yourself in the marketplace
- Get a free t-shirt when you pass!

Taking the class survey

- You should have received an email with a link to the class survey
 - Your instructor can also provide the direct link
 - <http://training.mulesoft.com/survey/{surveyID}.html>
 - Or you can go to a general page and select your class
 - <http://training.mulesoft.com/survey/survey.html>
- **Please fill the survey out now!**
 - We want your feedback!
